Quiet Wedding Yesterday in a Randolph Home.
Randolph, Nov. 11.—The home of Mr. and Mrs. W. G. Hodgkins was the scene of a very quiet wedding at noon Sunday, November 10, when their daughter, Florence Janette, was united in marriage to Lewis H. son of Mr. and Mrs. L. K. Curtis of Rochester. The ceremony was performed on the 19th birthday of the bride. Dr. Cooper officiated. There were present the parents and near relatives of the parties. Refreshments followed, after which the happy couple left by carriage for a short wedding trip and on their return will be at home in Rochester. Miss Hodgkins came to Randolph with her parents about one year ago, and though her residence here has been short she has won many friends who will wish for her much happiness. She has been a popular helper in the telephone exchange for the past few months.

SOAKING WEATHER

Weather like what we have had for the last ten days has made us look around and try to get out some special things to keep the trade up where it should be with pleasant weather. Ask to see what we are putting into this sale.

MUSLIN WAISTS.

Muslin Waists have come to be an all-the-year-around Waist, selling equally as well in cold as warm weather. The following we are taking from our stock to sell at a price and this price will be only for one week, then up it goes again to original price.

All our White Muslin Waists trimmed with lace and Swiss embroidery in a variety of styles in both long and short sleeves. Waists that were in our Fall sale at \$1.19, now at just half that price, 59c. (Cost of making not considered.)

Muslin Waists of fine nainsook and Persian lawn, made as better Waists should be made with lots of work on lace edges and embroideries. Waists that we have been selling at \$1.50, now at 75c; \$1.75 Waists for 87c; \$1.98 Waists for 98c.

Just look the above Waists over and see if you can see any reason why we are selling these Waists at the above prices.

A SPECIAL WAIST.

The above Waist is made of mercerized Panama, with a full embroidered front just as you see it in above cut. Come in both white and black and this sale is priced at only \$1.00 each.

BEDDING.

We are putting into stock another lot of Grey and White Blankets at 59c each, also another lot of those extra size Blankets at \$1.19.

We have a few soiled Blankets, also a sample line of Blankets that was sent to us from the West, no two alike, that we will sell you at a liberal discount, in other words, at what they cost us. They were made too far away to get duplicates, so we are anxious to sell the lot.

One more chance at our 42 by 36 inch Pillow Slips at 12 1/2c.

Our Bleached Sheets that are two yards and two inches wide, are not very fine but have an abundance of wear in them and cost but 59c.

Our very best Sheets are selling at just what we would have to charge you for cotton and no get any profit at that. You save the cost of making. We buy these Sheets for less than we can buy the cotton. (The reason.)

These \$4.98 Silk Petticoats Are Not What That Price Usually Suggests.

Where Cleanliness Predominates

We have not had much to say about our Steam Rendered Lard and Home Cured Hams for the reason that we could not get enough ahead to talk about, but we have enlarged our facilities and are in shape to make more of both. Our Lard is all cooked by steam, no dust and smoke. Everything is scalded and cleaned with steam when we are through and the walls kept whitewashed. Everything is as clean as a butter room.

Our Hams never leave the building until they are sold. We use only native pig pork, and smoked in an air tight steel room, free from dust and dirt, and are not frozen and thawed several times as in the old way of smoking in an outbuilding. In fact cleanliness predominates in this store. Come and see for yourself. We are glad to have you visit every department.
